## INTRODUCTION

The Faculty of Law was established at the University of the West Indies in 1970 with headquarters at the Cave Hill Campus. Its primary objective is to provide for an academic qualification which is a compulsory prerequisite to professional legal training for lawyers in the Commonwealth Caribbean. However, the traditional basic legal skills of concise and pertinent oral argument, systematic and relevant presentation of essential issues, clarity and precision of written opinions and detached and balanced judgment are also useful and reliable skills for other professions such as the Civil and Police Service, Accountancy, Banking and Commerce.

The Faculty of Law offers both undergraduate and postgraduate programmes. The undergraduate programme is offered only to students from territories which contribute to the Faculty. The Cave Hill full time programme is divided into three parts and is offered at the Cave Hill Campus and at the College of the Bahamas. Part I is offered at the Turkeyen Campus of the University of Guyana. The part time programme is divided into five parts and is offered at the Cave Hill Campus.

A student is generally required to complete each Part successfully before being allowed to enroll for the part following. However, very limited trailing is permitted into Parts II and III of the programme.

The degree offered by the Faculty of Law is the LL.B. which may be awarded in the following categories:

- First Class Honours
- Upper Second Class Honours
- Lower Second Class Honours
- Pass

Graduate studies in the Faculty lead to the Graduate Diploma, the LL.M., M.Phil and Ph.D. The LL.M. is awarded on the basis of coursework and a research paper. It is offered in the areas of Corporate and Commercial Law, Public Law and Legislative Drafting. The M.Phil and Ph.D. by research are available to suitably qualified candidates.

Full details on these programmes are contained in the Faculty's Graduate Information Guide, the Faculty Office or the website of the School for Graduate Studies and Research [www.cavehill.uwi.edu/gradstudies](http://www.cavehill.uwi.edu/gradstudies).

**DEAN'S REMARKS**

**DEAN'S MESSAGE**

Welcome to the Faculty of Law! If you are starting the LL.B. programme at Cave Hill or at the College of the Bahamas you are joining the region's premier Faculty of Law, one with a rich history and strong tradition of academic excellence. Our graduates are placed at the highest echelons of the fields of law and politics in the Caribbean, and our Faculty members include the region's most eminent scholars. If you are a returning second or final year student, we warmly welcome you back and encourage you to continue to strive for excellence in your studies and other activities.

The Faculty of Law is at an exciting moment in its history. At Cave Hill we are continuing our strong tradition of offering a regional programme, one that addresses the needs of the entire English speaking Caribbean. We teach in a comparative manner the laws of the majority of UWI contributing jurisdictions, exchange possibilities and other exciting options for our students. The Faculty is also strengthening and building upon its graduate programmes and its academic quality assurance and service quality processes.

You are also studying law at a time of increasing competitiveness and the Faculty is keen to help you acquire the skills and knowledge that will make you the most sought after graduates in the Caribbean. We continue to offer a strong traditional first and second year programme, and have developed a wider variety of third year courses which will help prepare you for a 21st Century law career, or other career of your choosing. In addition, the Faculty remains committed to encouraging creative and critical thinking, effective oral and written communication skills, and strong ethical values.

The Faculty of Law encourages you to become fully involved in all of its activities. In addition to classes, workshops and tutorials, you are urged to attend the special lectures and seminars by regional and international experts that may be offered in the Faculty. You are also encouraged to participate in student activities, including social activities, sports and student and University governance. Cave Hill is celebrating its 50th Anniversary in 2013 and you should be sure to enjoy the festivities.

Again, I warmly welcome you to the Faculty of Law. I hope that your experiences at Cave Hill or the College of the Bahamas will enrich you and provide a strong foundation for future excellence.

## UNDERGRADUATE STUDIES ADMISSIONS

### ENTRY REQUIREMENTS

The normal entrance qualification for the Faculty of Law is the basic Matriculation standard of FIVE subjects, at least TWO of which must be at 'A' level or equivalent level, the remainder at CXC general. There are no special subject requirements in addition to those necessary for Matriculation. **The competition for places in the Faculty is such that very high "A" level grades and very high averages in undergraduate degrees are required for an applicant to stand a reasonable chance of gaining admission.**

The Faculty is prepared to consider applications from persons who do not strictly satisfy Matriculation standards but who have equivalent academic qualifications. In particular, mature applicants over 21 who have shown evidence of academic and professional achievement can be considered. (Reference should be made to the Regulations Governing Matriculation in the University Calendar). This may provide an opportunity to read for a Law degree for those who have already been associated with the practice of law in some way - e.g. clerks of the courts, legal assistants, civil servants, police officers and so on.

### APPLICATION PROCEDURE

#### Application

We encourage online applications for entry into the Faculty. Where necessary applicants may obtain application forms from the Students Affairs Section on any of the Campuses or from the Resident Tutor in non-campus countries. Completed applications along with original certificates (which will be returned to the applicant), transcripts from Universities attended previously (in the case of non-UWI graduates) and the relevant application fee of Bds. \$30.00 should be submitted by January 31 of the year in which entry is sought.

#### Applicants from Guyana

Guyanese students are asked to apply to the University of Guyana for admission to the LL.B. programme at that University. Applications are to be made to:

The Registrar  
University of Guyana  
Turkeyen Campus  
P.O. Box 101110  
Georgetown  
GUYANA

#### Applicants from the Commonwealth Caribbean (Except Guyana)

Applicants from other parts of the Commonwealth Caribbean must apply to the Assistant Registrar (Student Affairs), Cave Hill, Barbados.

Applicants are reminded that the deadline date for applications must be complied with. **The closing date for applications to the Faculty of Law is January 31. Late applications will not be considered.**

#### Students from Non-Contributing Countries

Following a ruling of the University Grants Committee, students from Commonwealth Caribbean Countries which have not yet agreed to contribute to the Faculty of Law will only be admitted when applicants from contributing countries have all been placed.

#### International Students

A limited number of international students may be admitted to the Faculty of Law, provided that there is an exchange programme or cooperative agreement in place between their home university and the University of the West Indies. Other international students who do not fall into this category may be accommodated under the University's Study Abroad Programme.

#### ADMISSIONS PROCEDURE

- I. Firm offers will be made to the students selected from those who are already qualified for entry.
- II. Since the Faculty operates within limits on the total number of places available, and the number of places available under the
- III. agreed country quotas, the standard which qualified candidates must achieve in order to be offered places will vary according to the number and standard of applications in any given year from any given country.
- IV. For similar reasons, it may in some circumstances be possible to offer a candidate a place only at a campus other than that of his or her first choice.
- V. A waiting list will be drawn up of persons to whom offers can only be made late in the summer when it is known how many places are available following the examination results.
- VI. Late offers may be made by cable, fax or e-mail in late summer. Again, it may not be possible to offer a candidate admission to the campus of preference.

All applicants will receive notification of their eligibility and the decision in relation to their case when first offers are made. **It is imperative that any deadlines for acceptance set by the University are adhered to.** Applicants should therefore read University replies with the utmost care.

#### DIRECT ENTRY TO PART II

Exemption from all the non-law subjects in Part I is a prerequisite to Direct Entry. Students who qualify under Faculty Regulations for such exemption may be considered for direct entry to the Part II course at Cave Hill. A limit on numbers may be imposed on the grant of this direct entry.

#### COURSE EXEMPTIONS

- (i) Students who hold Commonwealth common-law type law degrees from other universities will not as a rule be accepted for the LL.B. degree. Such students may in certain circumstances be admitted to read for the LL.M. degree. These graduates will, in any case, be able to apply for entry to the Professional Law Schools for the practical training.
- (ii) Students who have already studied a single subject in the course but who are not granted exemption may be required to study a different subject instead.

#### LECTURES AND TUTORIALS

Teaching in law subjects will in most of the courses in Part I and Part II take the form of **lectures and tutorials.**

Tutorials are arranged on a small-group basis. In these classes, the student will be expected to develop the techniques of argument and presentation of cases and to produce essays, opinions and small project work under tutorial guidance. **The tutorial is a very important aspect of the teaching programme in the Faculty, and attendance at tutorials is compulsory**

### **CASEBOOK METHOD**

The student will be encouraged to learn the art of legal reasoning by use of the case-book method. This involves the preparatory reading of selected materials, followed by class discussion designed to deduce the legal rules inherent in the materials and their use and limits in future situations.

### **SEMINARS**

In the advanced courses, teaching may be conducted by means of seminars. This involves the preparatory reading of selected materials and the use of this to analyse and discuss a presentation based on these materials.

### **BOOK LISTS**

Book lists will be issued separately for each course and detailed reading and work sheets will be made available from time to time during the session. Course books may also be prepared and sold to students at cost.

### **FACULTY ADVISERS**

Students are each assigned to a Faculty Adviser for the duration of their undergraduate career in the Faculty. The Adviser will give help and advice on matters both of an academic and non-academic nature if such advice is sought. The Faculty Adviser is to be regarded by students as an important Faculty resource.

### **EXAMINATIONS**

Examinations are normally held at the end of each Semester. In some courses, however, examinations may take the form of essays submitted during the Semester, together with an examination at the end of a Semester, or solely of an extended research paper, submitted during the course of the academic year, as in the Independent Research Paper Course.

### **LEAVE OF ABSENCE**

- (a) A student who for good reason wishes to absent himself or herself from the programme, must apply for formal leave of absence to the Faculty Board, through the Dean, stating the reasons for the application.
- (b) The length of a leave of absence, if granted, will be subject to the approval by Academic Board, but will not normally exceed one year in the first instance, terminating at the end of the academic year for which the application is approved.
- (c) Save in very exceptional circumstances, leave of absence may not be granted for more than two consecutive years.
- (d) The deadline for requests for leave of absence for any semester shall be the end of the third week of the semester and the third week of Semester I for leave of absence for the academic year.

## PROFESSIONAL TRAINING

Entry into the legal profession of all of the Commonwealth Caribbean territories is regulated by the law of the particular territory, but as a result of a regional agreement the basic requirements tend to follow a common pattern.

Since 1975, a Legal Education Certificate is normally required by a prospective lawyer. This is granted by the (West Indian) Council of Legal Education which was established in April 1971. The Certificate will be granted to a student who successfully completes a two year course of full time training at one of the Council's three Law Schools in Jamaica, Trinidad or The Bahamas.

The students will be taught by a system of practical instruction designed to give training in the basic and essential skills of the practising lawyer.

Entry into a Law School will normally be granted to any applicant holding the U.W.I. LL.B. degree. Students who hold law degrees from other universities are required to sit an entrance examination which is held in July of each year. The deadline for applications to the Law Schools is January 31 of the proposed year of study. Application forms are obtainable from the Faculty of Law or from either of the three Law Schools at the addresses below:

Norman Manley Law School  
P.O. Box 231  
Mona Campus,  
Kingston 7  
JAMAICA

The Eugene Dupuch Law School  
P.O. Box SS-6394  
Nassau  
THE BAHAMAS

Hugh Wooding Law School  
P.O. Bag 323  
Tunapuna Post Office  
TRINIDAD

Holders of a Certificate of Legal Education will be regarded by all Governments in the West Indies as having satisfied institutional and educational requirements for practice, but local legislation may add further requirements such as the requirement of nationality, which must be satisfied before the right to practise is granted in a particular territory.

### **REGULATIONS FOR THE DEGREE OF BACHELOR OF LAWS (LL.B)**

All students of the University of the West Indies are subject to the General Regulations for Students approved by the Senate of the University. Where there is a conflict between these Regulations and the University Regulations, the University Regulations shall apply, except where a Regulation of the Faculty is expressly permitted by the Board for Undergraduate Studies.

#### **REGISTRATION**

1. A candidate for the LL.B degree shall be registered as a full-time student.
2. It shall be the responsibility of the candidate to consult the Faculty Regulations to ensure that he or she is properly registered.

#### **COURSE OF STUDY**

An extension of time may be granted but shall not normally extend beyond the end of the semester in which the extension is granted. Any remaining I symbol at the end of the period of extension will be deemed an F.

10. For the purpose of determining the Weighted GPA, failed courses shall be treated as prescribed in Faculty Regulations.

11. (i) Where credit for a course taken at another institution is requested, it is the student's responsibility to provide all the information needed by the University to enable it to assess the course.

- (ii) Credit hours earned from another institution at the time of admission to the University of the West Indies will not be used in the computation of a grade point average.
12. The following shall apply to credits earned by a UWI undergraduate from another approved institution:

- (iii) Work done during the period between the student being required to withdraw and being granted readmission may be eligible for credit under Regulation 11.

17. Where there is a conflict between Faculty Regulations and these regulations, these Regulations shall apply.

#### **HOW TO CALCULATE YOUR WEIGHTED GPA**

STEP ONE: A 'grade point' is assigned for every course in which you receive a final grade. For example, if you receive an A as a final grade, you will be assigned a grade point of 4.0.

STEP TWO: The grade point assigned for each course completed is multiplied by the 'credit hours' of the course to determine your 'quality points'. For example, if you receive a grade point of 3.7 [equivalent of letter grade A-] for a 3-credit course the quality points would be calculated as follows:  $3.7 \times 3 = 11.1$  quality points.

STEP THREE: Your 'Weighted GPA' is the average obtained by dividing the total quality points earned in your programme to date by the total credit hours taken, excluding courses taken on a pass/fail basis, audited courses, courses taken for preliminary credit, incomplete courses and any other courses which do not count towards the class of degree according to Faculty regulations.

For example: 54 quality points earned divided by 15 credit hours [equivalent to 5 3-credit courses] = a Weighted GPA of 3.6.

#### **UNIVERSITY REGULATIONS ON PLAGIARISM (First Degrees, Diplomas and Certificates)**

##### **Application of these Regulations:**

- 1 These Regulations apply to the presentation of work by a student for evaluation, whether or not for credit, but do not apply to invigilated written examinations.

##### **Definition of plagiarism**

- 2 In these Regulations, "plagiarism" means the unacknowledged and unjustified use of the words, ideas or creations of another, including unjustified unacknowledged quotation and unjustified unattributed borrowing;
- "Level 1 plagiarism" means plagiarism which does not meet the definition of Level 2 plagiarism;
- "Level 2 plagiarism" means plagiarism undertaken with the intention of passing off as original work by the plagiariser work done by another person or persons.
- 3 What may otherwise meet the definition of plagiarism may be justified for the purposes of Regulation 2 where the particular unacknowledged use of the words, ideas and creations of another is by the standards of the relevant academic discipline a function of part or all of the object of the work for evaluation whether or not for credit, for example:
- The unacknowledged use is required for conformity with presentation standards;
  - The task set or undertaken is one of translation of the work of another into a different language or format;
  - The task set or undertaken requires producing a result by teamwork for joint credit regardless of the level of individual contribution;
  - The task set or undertaken requires extensive adaptation of models within a time period of such brevity as to exclude extensive attribution;

- e. The task set or undertaken requires the use of an artificial language, such as is the case with computer programming, where the use of unoriginal verbal formulae is essential.

- 4 It is not a justification under Regulations 2 and 3 for the unacknowledged use of the words, ideas and creations of another that the user enjoys the right of use of those words, ideas and creations as a matter of intellectual property.

#### **Other definitions**

- 5 In these Regulations, “Chairman” means the Chairman of the relevant Campus Committee on Examinations; “Examination Regulations” means the Examination and other forms of Assessment Regulations for First Degrees Associate Degrees Diplomas and Certificates of the University; “set of facts” means a fact or combination of facts.

#### **Evidence of plagiarism**

- 6 In order to constitute evidence of plagiarism under these Regulations, there shall be identified as a minimum the passage or passages in the student’s work which are considered to have been plagiarised and the passage or passages from which the passages in the student’s work are considered to have been taken.

#### **Student Statement on Plagiarism**

- 7 When a student submits for examination work under Regulation 1, the student shall sign a statement, in such form as the Campus Registrar may prescribe, that as far as possible the work submitted is free of plagiarism including unattributed quotation or paraphrase of the work of another except where justified under Regulation 3.

- 8 Quotation or paraphrase is attributed for the purpose of Regulation 7 if the writer has indicated using conventions appropriate to the discipline that the work is not the writer’s own.

- 9 The University is not prohibited from proceeding with a charge of plagiarism where there is no statement as prescribed under Regulation 7.

#### **Electronic vetting for plagiarism**

- 10 The results of any electronic vetting although capable, where the requirements of Regulation 7 are satisfied, of constituting evidence under these Regulations, are not thereby conclusive of any question as to whether or not plagiarism exists.

#### **Level 1 plagiarism**

- 11 In work submitted for examination where the Examiner is satisfied that Level 1 plagiarism has been committed, he/she shall penalise the student by reducing the mark which would have otherwise been awarded taking into account any relevant Faculty regulations.

#### **Level 2 plagiarism**

- 12 Where an examiner has evidence of Level 2 plagiarism in the material being examined, that examiner shall report it to the Head of Department or the Dean and may at any time provide the Registrar with a copy of that report. In cases where the examiner and the Dean are one and the same, the report shall be referred to the Head of the Department and also to the Campus Registrar.

- 13 Where any other person who in the course of duty sees material being examined which he or she believes is evidence of Level 2 plagiarism that other person may report it to the Head of Department or the Dean and may at any time report it to the Campus Registrar who shall take such action as may be appropriate.

- 14 Where a Dean or Head of Department receives a report either under Regulation 12 or 13, the Dean or Head of Department, as the case may be, shall
- a. where in concurrence with the report's identification of evidence of Level 2 plagiarism, report the matter to the Campus Registrar; or
  - b. where not concurring in the identification of evidence of plagiarism, reply to the examiner declining to proceed further on the report; or
  - c. where concluding that there is evidence of Level 1 plagiarism, reply to the examiner indicating that conclusion and the Examiner shall proceed as under Regulation 11.
- 15 Where a report is made to the Campus Registrar under Regulation 14a or 16, the Campus Registrar shall lay a charge and refer the matter to the Campus Committee on Examinations.
- 16 Where the Campus Registrar receives a report alleging Level 2 plagiarism from the Examiner or any other person except the Dean or Head of Department, the Campus Registrar shall refer the matter to a senior academic to determine whether there is sufficient evidence to ground a charge of plagiarism and where such evidence is found, the Campus Registrar shall proceed as under Regulation 15.
- 17 Where the matter has been referred to the Campus Committee on Examinations pursuant to Regulation 15, the proceedings under these Regulations prevail, over any other disciplinary proceedings within the University initiated against the student based on the same facts and, without prejudice to Regulation 21, any other such disciplinary proceedings shall be stayed, subject to being reopened.
- 18 If the Campus Committee on Examinations is satisfied, after holding a hearing, that the student has committed Level 2 plagiarism, it shall in making a determination on the severity of the penalty take into consideration:
- a. the circumstances of the particular case;
  - b. the seniority of the student; and
  - c. whether this is the first or a repeated incidence of Level 2 plagiarism.
- 19 Where the Campus Committee is of the view that the appropriate penalty for an offence of Level 2 plagiarism is for the student to be:
- (i) awarded a fail mark;
  - (ii) excluded from some or all further examinations of the University for such period as it may determine;
  - (iii) be dismissed from the University, it shall make such recommendation to the Academic Board.

**Clearance on a charge of Level 2 plagiarism**

- 20 A determination of the Campus Committee on Examinations that Level 2 plagiarism has not been found will be reported to the Campus Registrar who shall refer it to the Examiner and notify the student. Where the Committee has not identified Level 2 but has identified Level 1, it shall be reported to the Campus Registrar who shall refer it to the examiner.

**Level 2 plagiarism: Appeal to the Senate**

- 21 A student may appeal to the Senate from any decision against him or her on a charge of plagiarism made by Academic Board.

**Delegation by Dean or Head of Department**

- 22 The Dean or Head of Department, as the case may be, may generally or in a particular instance delegate that officer's functions under these Regulations.

**Conflict of interest disqualification**

- 23 Any person who has at any time been an examiner of work or been involved in procedures for laying charges in relation to which an issue of plagiarism is being considered under these Regulations shall withdraw from performing any functions under these Regulations other than those of supervisor and examiner.

### **ABOUT THE LAW LIBRARY**

The Law Library is centrally located within the Faculty of Law, and forms an integral part thereof. With modern and functional facilities and a rapidly developing collection of West Indian and other Commonwealth legal materials, it is considered the premier legal library in the region.

The book collection - its first volumes acquired by gift from the Attorney General of the West Indies Federation Library in mid 1970 - now numbers in excess of 125,000 volumes. Significant benefactors include the British Overseas Development Administration, the Canadian Bar Association, the Caribbean Law Institute (CLI), Ford Foundation, University of Virginia Law Library, York University Law Library, and most of the Commonwealth Caribbean Governments.

The collection can satisfy most of the ordinary research needs of the region. Its content reflects the West Indian common law legal heritage. Included are most of the statutes, law reports, texts, law revision commission reports, etc. of the major Commonwealth countries as well as a basic selection of American and civil law legal materials. Strong points are the English and Canadian sections. The Law Library subscribes to approximately 620 periodical titles and 400 law report, digest, statute and citator titles.

The collection's unique feature is the West Indian section, including approximately 36,000 unreported West Indian cases, theses, and research papers produced by staff and students. The library also has one of the most extensive collections of West Indian legislation in existence, including pre-1900 laws of the region which have been acquired on microfilm. The Law Library received substantial grants from the UWI Board for Graduate Studies and Research to fund this project in co-operation with the Department of History, the Main Library, Cave Hill, UWI, the Archives Department and the Barbados Public Library. Content lists to the laws on microfilm have been compiled.

The Library aims at providing a legal reference service for practitioners and researchers in general, in addition to supporting the teaching programmes at the Faculty of Law where approximately 700 students, including postgraduate students, are registered. Since 2005 the Library has maintained CARILAW its own electronic database of regional cases. The range of cases is from the mid 1950s to present with new cases being added on a weekly basis. The Library has access to several electronic resources which include Lexis Nexis, CARILAW, WESTLAW and Hein ONLINE

### **LIBRARY SECURITY**

A security officer is on duty during the Library's opening hours. The security officer may ask any person seeking entry into the library to identify himself/herself and to show material on leaving. U.W.I. students and staff from faculties other than law (who may not be known to the security officer) are expected to present current valid ID cards on request.

Outside Users (non-UWI staff or students) need permission from the Law Librarian to use the Law Library. The names of persons who are given the necessary permission are included on a list which is kept by the security officer and updated on a two weekly-basis.

Briefcases and other large bags are not to be brought into the Law Library, but must be left in the bag bay which is on the right side of the main entrance door. Any bag larger than 9" x 12" is considered a large bag and the security guard may ask its holder to remove valuables and leave the bag in the bag bay, or in a locker.

Lockers are provided in the student lobby and are available for a rental of \$20.00 per year (2 semesters). Students must remove their locks from the lockers by June 15 or the locks will be removed by the Law Library.

Please note that personal printers and scanners are not allowed in the Library. Laptops are allowed.
